

Dear Parent/Guardian,

First of all, we would like to take this opportunity to congratulate you and your child on the great achievement made by the both of you. Promotion into the fourth grade is a great achievement that you and your child should be extremely proud of.

Throughout the upcoming 2009 – 2010 school year, your child will be introduced to the fourth grade curriculum. We have several trips and activities planned for this upcoming school year. In addition to learning the curriculum, students will be taking three major State exams. They are the English Language Arts Exam, the Math State Exam, and the Science State test.

We encourage you to review your child's homework and class work daily to reinforce learning. Furthermore, we will be encouraging students to read each night. Students will receive reading journals that must be signed daily. Please ensure that your child meets these requirements throughout the school year.

Thank you in advance for your cooperation. We hope you have a wonderful summer vacation, and we look forward to meeting you on September 8, 2009.

Sincerely,  
The Fourth Grade Teachers
