

September 8, 2009

Dear Parents/Guardian:

We would like to welcome you and your child to our Pre Kindergarten program at P.S. 101. It is our goal to help your child reach his or her full potential. In order to have a safe, secure and happy place to learn we will need your cooperation. We will encourage and reinforce strong work habits, good organizational skills and socialization. We will spend the first several weeks of school establishing routines, modeling acceptable behaviors and demonstrating fair but challenging expectations of them. We ask you join us in forming this partnership with the intellectual and social growth of your child as our main objective.

Your child will need supplies to use in the classroom. Please bring in the following supplies:

1. One backpack to be brought to school on a daily basis.
2. One bottle of Elmer's Glue
3. One roll of paper towels
4. One box of tissues
5. One bottle of liquid soap
6. One bottle of hand sanitizer
7. One container of baby wipes
8. Two recent photo of your child
9. One family photograph
10. One marble notebook

We look forward to working with you and your child during the coming school year. Your child will be offered many fine opportunities to learn and develop skills necessary to prepare for Kindergarten. We plan to do our best to insure that your child has a successful and enjoyable school year. We work here at P.S. 101 as a team and I know you will be proud. Thank you for your cooperation.

Sincerely,
The Pre Kindergarten Teachers
