An Important Notice for All Parents

Due to a change in the Federal guidelines, our school is now eligible to receive Title I funds. These funds will be in place for the 2009-2010 school year.

We need all parents to come to a meeting to learn more about this new funding. The school community (parents and staff) can decide to become a **School Wide Program School**

A School Wide Program will help meet the educational needs of the whole school so that all students can achieve high levels of academic excellence.

**Please come to the PTA meeting on:
Thursday, April 23rd at 7:00 P.M.**

At this meeting, you will hear important information and you will have the opportunity to vote to become a School Wide Program school. Please support our children's education and our school community by attending this important meeting.

I look forward to seeing you at the PTA meeting on Thursday, April 23, 2009.

Sincerely,

Shelley Steppel
Principal
