### GCHS WebTeam Builds Our New SLC Site

Old  
vs.  
New

Grover Cleveland's website @ [gchs.info](http://gchs.info) is soon to have a whole new look to go along with our transition to a Small Learning Community SLC HS.

Starting in September 2012 our new Homepage will be redesigned to highlight our SLC initiatives. Each SLC will have its own page that gives viewers a look at what the SLC's will offer our students.

Our website has always been student-generated; we have never relied on 'professional' web designers to create our site because a school should be about . . . *Learning*. And how can students learn if someone else does the work for them? This year is no exception to that rule as our latest Webteam works very hard on making our new site exceptional, timely, informative, and educational.

Our new website is a work-in-progress so stay tuned as our Webteam builds our great Grover Cleveland SLC HS site!
