Natalie has received notification of the scholarship awarded along with information regarding the rules and regulations of the scholarship. This scholarship will be distributed throughout the student's collegiate career.

The Horatio Alger Association of Distinguished Americans, Inc. is pleased to announce that we will be awarding nearly \$7 million in college scholarships this year. Through nationally recognized educational programs, the Association reaches out directly to our nation's young people with a message of hope, opportunity, responsibility, and perseverance. Horatio Alger Association Scholarship Programs provide financial assistance to students who have financial need and have exhibited integrity and perseverance in overcoming personal adversity. Scholarship criteria also include status as a graduating senior in 2010, commitment to pursuing a bachelor's degree, and United States citizenship.

Enclosed is a scholarship award certificate. It is our hope that this certificate will be presented at an appropriate assembly of your students to recognize Natalie's achievements. We are sorry that a representative from the Horatio Alger Association will be unable to present this certificate in person to the scholarship recipient.

We are proud to have Natalie as one of our scholars. To participate in this scholarship program in the future, students entering their senior year of high school in the fall of 2010 may submit an online application at
