New Student Network

Information for Students

Every student now has their own personal/ private user name and password. This will allow you to access your files (My Documents) almost anywhere in the building. It is like having your own personal desktop where you can save files, not worry about having a disk, and only you can see them.

Where?

It can be used on any computer that is on the student network.

Currently available at:	Available soon at:

Steps for logging onto the HSFI Network:

1. To get to the logon screen you press the Ctrl Alt and Delete buttons all at the same time.

2. You will get a pop up screen that looks like this: Make sure the log on to area is 78M600.

3. At the log on screen enter in the following your user name and password:

User Name: 1st initial of your 1st name and last name (lowercase, no spaces)
(Example: Jonathan Smith is jsmith)

Password: 9 digit student ID number

If your user name does not work, add a 1 to your user name. Example: jsmith1 (no spaces)
